About Flymark Immigration Private Limited

Flymark Immigration Private Limited is an India-based company focused on international education guidance, language training, student recruitment support, and assistance with overseas application processes.

Operating from Kashipur, Uttarakhand, the company seeks to support students in making informed decisions about international study opportunities while developing professional relationships with overseas universities, colleges, training institutions, and other relevant education-sector stakeholders.

Our approach centres on understanding each student's academic background, aspirations, eligibility, and destination preferences before helping them navigate the relevant application and preparation process.

Our Vision

To develop a trusted international education consultancy with meaningful institutional relationships, responsible student guidance, and a growing global network of education opportunities.

Our Mission

- Guide students towards suitable international education pathways.
- Help students strengthen English-language and communication skills.
- Support structured, accurate, and well-organised application preparation. Establish
- transparent, mutually beneficial relationships with overseas institutions. Encourage
- informed decision-making and responsible international mobility.

The Directors

Mr. Irfan Husain | Director

Mr. Irfan Husain leads with a professional philosophy centred on discipline, accountability, precision, and procedural responsibility. According to the leadership information supplied for this profile, he is an Indian Air Force veteran with 23 years of service in the fields of Mechanical Engineering and Administration. This background reflects the values Flymark seeks to bring to its operations: attention to detail, structured processes, careful document handling, and respect for compliance requirements.

Ms. Saniya Saifi | Director

Ms. Saniya Saifi contributes to the company's strategic direction, global operations development, and student-welfare priorities. Her role is aligned with building constructive institutional relationships, strengthening communication between students and education providers, and supporting a professional, student-centred service experience.

OUR LEADERSHIP PHILOSOPHY: Discipline. Integrity. Responsibility. Student Welfare.

Building Meaningful International Education Partnerships

An Invitation to Universities, Colleges & Education Providers

Flymark Immigration Private Limited invites overseas universities, colleges, vocational institutions, and other eligible education providers to explore opportunities for professional cooperation in student outreach, recruitment support, and international education engagement.

We seek to build relationships founded on shared objectives, clear expectations, responsible student guidance, and transparent communication.

01 | Student Recruitment & Regional Outreach

Explore a potential recruitment-representation arrangement for eligible prospective students in India, subject to the institution's approval and a mutually agreed written agreement. Activities may include programme promotion, preliminary enquiries, student profiling, application coordination, and follow-up communication.

02 | Joint Seminars & Education Events

Collaborate on student information sessions, virtual presentations, admission seminars, education fairs, and destination- focused awareness events.

03 | Application & Admissions Coordination

Establish a clear process for enquiries, student referrals, application submissions, document requirements, and admissions-related follow-up. Institutional portals and approved application channels may be used where available.

04 | Ethical Student Pathways

Promote accurate information about academic eligibility, fees, financial requirements, accommodation, student support, and relevant visa conditions. No guarantees should be made about outcomes controlled by institutions or public authorities.

05 | Dedicated Institutional Communication

Explore a designated point of contact for admissions enquiries, recruitment coordination, programme updates, and operational matters.

06 | Programme Awareness & Market Development

Where mutually agreed, support programme promotion through appropriate outreach, digital communications, student counselling, and educational events, subject to institutional approval.
